INCIDENT COMMAND SYSTEM KIT

COMMAND THE SCENE.
INCIDENT COMMAND

- ALLOWS YOU TO ESTABLISH A COMMAND CENTER WITHIN MINUTES.

- ALL ELECTRONICS ARE INDEPENDENTLY BATTERY POWERED.

- DESIGNED WITH CUSTOMER FEEDBACK FROM THE FIELD.

- THIS KIT DOESN'T REQUIRE WI-FI TO BE USED.

At Deployed Logix we're redefining rapid deployment. Through our extensive work with law enforcement, search and rescue teams, various first responders, private organizations both domestically and abroad, and the military, our team understands that when a crisis calls, seconds count. Discover why we are the leader in American-made, rapidly deployable disaster preparedness products.
