About Deployed Logix:

Deployed Logix is an innovative provider of rapidly deployable solutions, specialized in quick setup shelters and related equipment. Our products play a vital role in supporting disaster relief, military, and outdoor expeditions across the globe. Our team is composed of dedicated professionals who strive to provide optimal service and solutions to our clients. Our goal is to provide solutions that can be deployed anywhere, at any time.

Position Overview:

The Chief Financial Officer (CFO) will be a key member of the Deployed Logix leadership team, responsible for the overall financial strategy and direction of the company. The CFO will align financial policy and procedures with company objectives, to drive growth, maximize investment, and increase efficiency.

Responsibilities:

- **Financial Strategy:** Develop and implement financial strategies by forecasting capital, facilities, and staff requirements; identifying monetary resources; and developing action plans.
- **Financial Planning and Management:** Monitor financial performance by measuring and analyzing results, initiating corrective actions, and minimizing the impact of variances. Oversee budgeting, and the implementation of budgets, so as to monitor progress and present financial metrics both internally and externally. Lead 401k and yearend tax prep.
- **Risk Management:** Understand and mitigate key elements of the company's risk profile. Construct and monitor reliable control systems. Ensure that the company complies with all legal and regulatory requirements. Ensure that record keeping meets the requirements of auditors and government agencies. Lead on all key legal matters.
- **Cash Management:** Oversee cash flow planning and ensure availability of funds as needed. Oversee cash, investments, and asset management. Explore new investment opportunities and provide recommendations on potential returns and risks.
- **Relations:** Maintain relationships with partners, financial institutions, and investors.

Qualifications:

- Proven experience as CFO, finance officer or relevant role.
- In depth knowledge of corporate financial law and risk management practices.
- Excellent knowledge of data analysis and forecasting methods.
- Proficient in the use of MS Office and financial management software.
- Ability to strategize and solve problems.
- Strong leadership and organizational skills.
- Excellent communication and people skills.
- An analytical mind, comfortable with numbers.
- CPA is a strong advantage.
- BSc/BA in Accounting, Finance or relevant field; MSc/MBA is a plus.

Ultimately:

The successful candidate will be a strategic thinker with excellent communication and leadership skills, capable of working collaboratively with other members of the senior management team to drive the continued growth and success of Deployed Logix.

Deployed Logix is an equal-opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees.

To apply, please submit your resume and cover letter outlining your qualifications, interest in the position, and salary expectations.
