Deployed Logix // Finance Controller

About Deployed Logix:

Deployed Logix is an innovative provider of rapidly deployable solutions, specialized in quick setup shelters and related equipment. Our products play a vital role in supporting disaster relief, military, and outdoor expeditions across the globe. Our team is composed of dedicated professionals who strive to provide optimal service and solutions to our clients. Our goal is to provide solutions that can be deployed anywhere, at any time.

Position Overview:

We are currently seeking a diligent and highly analytical Finance Controller to join our team. The Finance Controller will be responsible for managing the financial health of the organization by supervising all aspects of financial management, including corporate accounting, regulatory and financial reporting, budget and forecast preparation, as well as the development of internal control policies and procedures.

Responsibilities:

- Oversee all company accounting practices, including accounting departments, preparing budgets, financial reports, tax, and audit functions.
- Coordinate with external auditors and manage internal controls.
- Prepare financial statements and present findings and recommendations to top leadership.
- Manage the preparation of the company's budget and financial forecasts.
- Work with senior teams to grow the business and form decisions around strategic planning and operations.
- Implement and manage financial controls over all aspects of the company's financial operations.
- Monitor the financial performance of the company, identifying areas for potential improvement.
- Ensure compliance with the law and the company's policies.

Qualifications:

- Bachelor's degree in Business, Accounting, Finance, or related field; MBA preferred.
- Certified Public Accountant or Certified Management Accountant designation preferred.
- Proven experience as a Financial Controller, Accounting Supervisor, or relevant role.

- Comprehensive understanding of data analysis and forecasting methods.
- Proficient in the use of MS Office and financial management software (e.g., SAP).
- An analytical mind with a strategic ability.
- Excellent organizational and leadership skills.
- Outstanding communication and interpersonal abilities.

Ultimately:

The successful candidate will be a key member of the finance team, a strategic thinker with excellent communication and leadership skills, capable of working collaboratively with other members of the senior management team to drive the continued growth and success of Deployed Logix.

Deployed Logix is an equal-opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees.

To apply, please submit your resume and cover letter outlining your qualifications, interest in the position, and salary expectations.

Applications will be accepted until the position is filled.

Thank you for considering a career at Deployed Logix.
