FOR IMMEDIATE RELEASE

Deployed Logix Provides Shelter for 175 Unhoused Victims of Maui Wildfire

MAUI, HI / OCTOBER 6, 2023– Deployed Logix, a leader in rapid deployment emergency response, proudly announces the completion of a temporary basecamp designed to shelter 175 victims left unhoused by the Maui wildfire. This initiative highlights the company's commitment to delivering rapid and compassionate aid during crises.

On September 18, 2023, at 12 AM, Deployed Logix was approached with a request from Micah Goettle, an emergency manager from the Oregon Department of Human Services. DLX assisted him in providing shelter for 175 displaced individuals. Within 15 hours, a comprehensive design for a temporary shelter solution was proposed and later approved, demonstrating Deployed Logix's agility and dedication to humanitarian relief efforts.

The basecamp, established on October 6, comprises 25 Deployed Logix Shelters, including nine X-24 models and 18 ASAP® models. These units are weather-resistant, fully powered, and insulated against the elements.The camp met Hawaii DHS standards for accommodation. This includes providing electricity, hygiene, and a cafeteria.

This swift deployment resulted from effective collaboration between multiple agencies and Deployed Logix, with a formal agreement reached on September 22nd. The expedited response to the emergency manager's request underscores the power of partnership and Deployed Logix's unwavering commitment to supporting communities in distress.

Deployed Logix is appreciative to all the partners and agencies that played a role in this effort. The company continues to be at the forefront of providing innovative and timely emergency response solutions globally.
